

Requirements for hosting an F3T Affiliate/Independently Promoted event

The F3T provides the following:

Film on BluRay or DVD

A link on our website directing our customers to your show

Our marketing package (digital and physical materials available)

Our 70+ years of experience as part of Warren Miller Entertainment and the F3T to guide you through the process.

Raffle Package Items available via negotiated deals with our partners

The operation of the show is up to you and that means you'll need a few things to make your show work. Here's a quick checklist to help you get your ducks in a row:

Theater Projection system capable of a 16x9 HD image Screen(s)

Sound system for Stereo (L+R) audio (5.1. Surround Sound available in limited supply)

BluRay or DVD player Staff to setup the show

Accounting/contracts

Salespeople to sell in sponsors for your event

Ticket sales- ex. box office sales, website sales (we use our own website powered by EventGroove.com and can set you up with that system), or consigned ticket sales at partners such as fly shops, guide shops, and local businesses

Marketing team to get the word out about your event

Staff to operate the show tear tickets hand out sweepstakes cards

Someone to run the projector/lights/sound

Emcee to host the evening- emcee must conduct your drawing at intermission for our sweepstakes and, ideally, draw for your locally secured prizing

Someone to coordinate your sponsors

Someone to run finances and a box office report that must be submitted to F3T

While we are flexible with our contracts and show types, we do require that all of our events take part in our Sweepstakes. This means you will need to hand out our sweepstakes cards, secure some prizing for your event, draw winner's names at intermission, and then promptly return the sweeps cards so we can conduct our prize drawings for our giveaway Fly Fishing vacations.
